

DURHAM NETWORK

Network Meeting
27th September 2005
7.30pm Moor House

Present: Darren, George, Phil, Jane, Karl

Apologies: Mike, Rachel, Ian, Mark

- Email accounts - Darren asked if Ian could set the email account up for the committee so that you don't get the email back yourself?!
- Explorer day – problems with the census, only found paperwork for 6 districts, therefore limited number of contacts for explorer day. George has booked activities, need to advertise for staff. Jane to send out invitations to explorers ASAP via ACC Explorers and group leaders. Activities 12-4, day 11.30-4 – drop in day. Noted that this is becoming very short notice.
- Gliding – all who want to go should send cheque to Mike by Friday (Mike is currently on holiday).
- Network updates: suggest 2 a month instead of one long one as some feel there is too much information going out and some of it is ignored.
- Next Service weekend – Confido (7th-9th Oct). Darren to email everyone about the following one 12th-13th Nov – social and bonfire!
- Eurotrek – suggested destinations include Prague, Budapest, Portugal and Tosa de Mar.
- DUSAGG fresher's weekend will be held the weekend of the 15th of October.
- Small ships – still awaiting details from either Paul or the organisation group.
- Paypal – should be up and running.
- Network stock – need to check stock in shop soon.
